Governing Documents Revision Townhall Meeting –
Saturday, the 28th, at 10:00

The Revision of our Governing Documents was interrupted by the pandemic but is slated to resume on the 28th. As in the past, the entire community is invited to participate and will form the revision “committee.” At our first session we hope to go through the first half of the Members Handbook RULES & REGULATIONS. We will start from the 2017 revision which was never completed nor submitted for adoption, and we will make note especially of where that suggested revision is different from the older version now in place. Please join us.

We will have hardcopies available at the meeting. If you need a hardcopy and cannot attend the Town Hall, call Karen at the office, 760-757-3937.

If you cannot attend the meeting, you can watch from your computer, tablet, or smartphone.
