

COMMUNITY UPDATES

5- 7 -2021

RE-OPENINGS PHASE 2!!

Here we go! All areas and activities are now open

. Activities/clubs/committee meetings will meet at the same time and location that they did before Covid. Face masks and social distancing are still mandatory.

COVID UPDATE

According to our understanding of the CDC Guidelines, vaccinated adults are now allowed to meet in groups indoors using reasonable precautions. Specifically, the guidelines say that such vaccinated adults are not required to wear facemasks at all times in such indoor activities. Therefore, in the time until June 15, we ask community members to wear facemasks when entering or leaving meetings or activities or when in close contact with a group of people. Once settled into a room with social distancing in place, the masks can come off. Anyone who is uncomfortable with this approach or is unvaccinated should continue to use full precautions as up to now.

POOL NEWS

:

The pool will now be open on the weekend, beginning already tomorrow! HOWEVER, the week of May 10th the pool will be closed for repairs.

Residents are asked to disinfect the handrails, etc. after each use. Supplies will be available. Only residents are permitted in the pools/spa at this time----no guests or children until the Governor totally opens the State. The spa is still limited to one family group at a time. Pool hours will be 7:00am – 7:00pm. Swimmers are asked to respect an honor system of only 7 people at a time in either of the pools. A mask mandate continues going to and coming from the pool area. We are aware of the chlorine shortage that has been in the news. Our pool professional reports to us that he has stockpiled chlorine and we will be fine.

COFFEE HOUR AND OTHER ACTIVITIES

Coffee Hour is again happening each Thursday, at 9:00 am. Please join us. In addition, the Activities Committee is planning a “bring your own everything” picnic by poolside for Memorial Day.

SHARE WEAR NEWS

OFFICE LOBBY:

The Office lobby is once again open. A new electronic door has been installed that enables visitors to announce their presence outside by ringing a bell. The receptionist will then allow one person at a time to enter the lobby and conduct their business with a mask in place. All routine forms will continue to be available in the brochure holders on the wall to the left of the front door.
