

## Event Registration Deadline101:

The Activities Committee plans several special events during the year. The goal is to offer fun, affordable and classy events for the enjoyment of the OCA community. The committee members appreciate all of you who attend.

When registration for an event is open, there is typically a 2- to 3-week window during which to register. There is always a deadline date. The deadline date is chosen depending upon the contract we have with the caterer. The caterer requires that we provide a final count 5 to 7 days prior to the event, in order to allow time to plan, order and prepare the food. Therefore, after the cut-off date, registration is closed.

We urge everyone to register early so you are not disappointed that you cannot join us. We are unable to accommodate onsite registrations. There are flyers posted in the administration office and on a poster in the club house lobby. Plus, information is on the OCA website and cable TV channel 1960. We look forward to hosting large crowds in the future.
