

Dear Homeowner & Resident:

The purpose of this letter is to seek your support in helping us to petition the City of Oceanside to repave and repair our city streets here in Oceana which are in a deplorable, unsafe condition. Especially now because of the pandemic there are more people walking and jogging than ever before and we need to be confident we can do these activities safely.

Although we have petitioned the City many times regarding this matter it seems as though we have been put on the back burner and it has been much too long. There is much more power in numbers so to that end we are seeking your support to sign the petition so we can finally get the attention of the City and move them to take action. This is an urgent matter! Our safety and well-being are at stake! Although repaving the streets will make them aesthetically pleasing this is much more about safety, not only for us but for our vehicles as well.

Your cooperation is very much appreciated!

Thank you!

I am a resident of Oceanside Community Association. My signature below indicates my support for this community-wide petition requesting that the City of Oceanside repave the streets (Vista Campana, Vista Bella) and repair the sidewalks adjacent to these same streets.
