### **Business Office**

The COVID-19 guidelines direct that where possible, business offices should continue to be closed to the public. Our office will continue to stay closed. Residents can call, email, or use the mail drop box to conduct your business:

-Office: 760-757-3937, [office@ocaoffice.org](mailto:office@ocaoffice.org), [maintenance@ocaoffice.org](mailto:maintenance@ocaoffice.org),  
[accounting@ocaoffice.org](mailto:accounting@ocaoffice.org)

The various request forms continue to be available on the <https://oceanaseniors.org> website and outside the business office near the mail slot. Request forms are for your convenience and are not a requirement. If you prefer to use the OCA portal, Visit

[oceansidecommunity.appfolio.com/connect](https://oceansidecommunity.appfolio.com/connect) and click Request Access to the Portal at the bottom, or go to <https://oceanaseniors.org> and choose “OCA AppFolio Portal” on the main menu.

With the exception of the limited pool opening there are no other meetings or activities being held in the community facilities. While the state and county continue to modify their restrictions, this is a senior community which requires a conservative re-opening approach by the Board of Directors.

Announcements and useful links can be found on the community website and OCA -TV. Please remember to check the <https://oceanaseniors.org> website or channel **1960** for current updates.

The upcoming weekly landscape and irrigation schedule can be found below and on the <https://oceanaseniors.org>

website.

*The first two weeks of this resumption will result in warnings to the vehicles in the way of the sweeper, and citations will be given starting the week of January 18, 2021. Between now and then, staff will continue routine sweeping without enforcement while addressing signage and tree trim needs and will tag potentially abandoned or stored cars on the street.
