ARTICLE XII: VOTING METHODS

- a. Preparing Ballots Candidates shall be placed on the ballot in alphabetical order. In an election to approve an amendment of the governing documents, the text of the proposed amendment shall be delivered to the members with the ballot.
- b. Mailing Ballots Ballots and two preaddressed envelopes with instructions on how to return ballots shall be mailed by first-class mail to every member not less than 30 days prior to the deadline for voting. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the ballot.
 - i. The ballot itself is not signed by the voter, but is inserted into an envelope that is sealed. This envelope is inserted into a second envelope that is sealed. In the upper left-hand corner of the second envelope, the voter shall sign the voter's name, indicate the voter's name, and indicate the address or separate interest identifier that entitles the voter to vote.
 - ii. The second envelope is addressed to the Inspector who will be tallying the votes. The envelope may be mailed or delivered by hand to a location specified by the inspector. The Member may request a receipt for delivery.

- c. Voting Period The polls will open when the ballots are sent to the Members and will close at such time as determined by the Inspector(s) of Election after commencement of the meeting at which the ballots will be counted, or any adjournment thereof, or upon final collection of ballots for counting, whichever occurs first.
- d. Voting By Mail When voting by mail, ballots are irrevocable and must be returned sealed in the envelope provided. The sealed Ballot envelope must be returned by U.S. mail within the time limit specified in the voting notice to the membership. As the sealed ballot envelopes are received, they shall be held by the Inspector of Elections in a secure place without opening until expiration of the voting period. At this time, sealed envelopes shall be opened, and ballots tabulated under the supervision of the Inspector and two assistants appointed by the Board, following approved procedures for the tallying of votes.
- e. Secrecy of Ballots The Inspector shall establish procedures to ensure the secrecy of a ballot returned to a polling place and the security, confidentiality, and integrity of any personal information collected, stored, or otherwise used pursuant to this section. A Member who signs or otherwise marks his/her ballot with an identifying mark waives his/her right to secrecy. The Association is not responsible for removing or redacting personal information that is added to the ballots by the owner.
- f. No Denial of Ballots A ballot shall not be denied to a Member for any reason other than not being a Member at the time when ballots are distributed. If a person becomes a Member after the ballots were distributed, said Member may request a ballot if the previous owner of that separate interest did not return a ballot in that election. A ballot shall not be denied to a person with general power of attorney for a Member. The ballot of a person with general power of attorney for a Member shall be counted if returned in a timely manner.
- g. Loss of Ballot If an owner loses his/her ballot prior to an election, they may request another ballot, along with the appropriate envelopes from the inspector(s) of election. The inspector(s) of election shall maintain a record of each request and, if it is determined that the owner voted twice, even by mistake, only one ballot will be counted.
- h. Non-revocable Ballots Written ballots may not be revoked once they are submitted to the Inspector(s) of Election. Once written ballots are deposited in the U.S. mail to the Inspector(s) of Election, they are considered non-revocable.
- i. Counting and Tabulation of Ballots All votes must be counted and tabulated by the inspector or inspectors of election in public at a properly noticed open meeting of the board of directors or members. Any candidate or other Member of the Association may witness the counting and tabulation of votes. No person, including a Member of the Association or an employee of the management company, shall open or otherwise review any ballot prior to the time and place at which the ballots are counted and tabulated.
- j. Custody and Retention of Ballots The sealed ballots, signed voter envelopes, voter list, proxies, and candidate registration list shall at all times be in the custody of the inspector

or inspectors of elections or at a location designated by the inspector or inspectors until after the tabulation of the vote, and until the time allowed by Civil Code §5145 for challenging the election has expired, at which time custody shall be transferred to the Association.

- k. Recount or Challenge If there is a recount or other challenge to the election process, the inspector or inspectors of elections shall, upon written request, make the ballots available for inspection and review by an association member or the member's authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.
- l. Inspection of Association Election Materials Association election materials shall be maintained for one year after the date of the election. This includes returned ballots, signed voter envelopes, the voter list of names, parcel numbers, and voters to whom ballots were to be sent, proxies, and the Candidate registration list. Such election materials are subject to inspection and copying in accordance with Civil Code §5200, except that the signed voter envelopes may be inspected but may not be copied.

ARTICLE XIII AMENDMENT OF ELECTION RULES

The Election Rules may be amended in accordance with the procedures set forth at Civil Code §4360; provided, however, that the Election Rules shall not be amended less than 90 days prior to an election.
