

# AniMeals: Dog and Cat Food

AniMeals facilitates the delivery of pet food to those in need, including homebound and low-income elderly, disabled veterans, and the homeless.

The program (coordinated by the Helen Woodward Animal Center) does not deliver to individual clients. Rather, you can receive AniMeals along with your assistance from a partner such as:

- Oceanside Senior Center
- Meals with Love (Vista)
- Meals-on-Wheels North County
- Wounded Warriors Camp Pendleton/San Marcos (military)
- Feeding San Diego

Donations of unopened, unexpired, non-prescription pet foods and treats (as well as Ziploc Freezer quart/gallon bags and monetary donations) are always welcomed by this registered charitable organization. Food and other supplies can be dropped off at locations throughout the county (see website for details).
